 ← Look outside text!

Think: Is it worth reading or researching.

• The dogs that Shackleton bought cross-bred.

• The dogs were collies, mastiffs, and hounds.

raw meat flavor range from "earthy" to "gamey"

How long did the Endurance last?

The "Endurance" was bought by Shackleton in 1914. She sank in after 1 year at sea in 21 November 1915.

Endurance originally was named polaris

The whale killer killed the whales because there was expensive oil in the whale's body.

Whale killing started around the 11th century when the Basques started killing and trading whale products.
