1

## SECULARISM

Secularism is the idea that separates religion with education and government decisions. It ensures that governing decisions and education is free from religion and people are free to believe in any or no religions.

2

## QUESTION EVERYTHING

Questioning everything is the idea that ask questions on whatever you hear. It was done like this because people think that they should know exactly what they want.

3

## INDIVIDUALISM

Individualism values the importance of the individual's rights, and pursuit of personal goals and happiness. It emphasizes personal responsibility and self-reliance.

4

## ENJOY LIFE

Humanists think that people doesn't need to suffer and wait for the afterlife anymore. People can now enjoy everyday and do whatever they want on earth.
